...whoa...

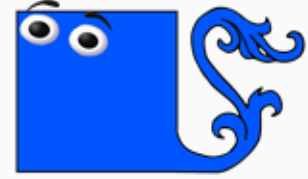

Helpful reminders for everyone!

Great question, Sparky!

Here's a helpful guide:

What can the populace do to help, Feilinn?

DO:

- Communicate with the Signet's office regarding scrolls.
- Give grace and courtesy to your volunteers.
- Always email Signet Staff via our official emails.
- Ask how you can help.

DON'T:

- Assign out a scroll to a scribe yourself.
- Assume a slight if your scroll is late or a deadline is missed.
- Message Signet Staff on FB, we likely won't see it.

In Conclusion:

Even though we're coming out of the worst of the pandemic, there is still a lot of work happening. Scribes are tired and trying to get back in the swing of things.

Great reminder, Feilinn. What else can we do?

Make sure to write people in early for awards so the scribes have enough time to work.

Don't be a jerkface.

Be patient! Be courteous! Be kind!

Thank a scribe! Send a socially distant high-five or a shout out online. They love hearing from the recipients!
